MANUFACTURER & EXPORTER OF LEATHER CLOTHING

www.leather-research.com

LEATHER RESEARCH ABOUT US:

We M/S Leather Research Industries are one of the most experienced tanning and manufacturing exporters of leather garments and all types of gloves here at Sialkot Founded in 1985, we are manufacturing motorcycle apparel with technical features instead of relying on style alone. Our products are superior in quality and workmanship and always meet or exceed our customers satisfaction.

Our Mission:

Provide maximum protection and customers satisfaction.
